President's Message

I hope you all had a wonderful Christmas! My mother Maxine and I took a brief break from quilting and made a coat for my daughter, Mary, for Christmas. It turns out that we picked one of the hardest patterns JoAnn's had. The coat had a yoke, was fully lined, had button holes, a collar, and pockets. Yikes! At first I thought we were in over our heads, but with my mom's background in making my clothes when I was young, we were able to pull it off. We finished it the Friday before Christmas. My daughter hasn't taken it off, except to sleep, since she's opened it.

We have scheduled another LAP Field Trip on Friday, January 22. Because of the possibility of bad weather, we are going to do a mini shop hop locally, including lunch out. We will start at Custom Quilts, in Haslett, at 10 am. We will car pool to Country Stitches, Everlasting Stitches in Holt, Keans, and Yards of Fabric in Mason, and then back to Custom Quilts. We will most likely lunch in Holt. I'll make some calls to see what restaurant can hold our group. We will have a sign up sheet at the January 7 guild meeting. If you won't be in attendance at that meeting, but would

like to participate in the field trip, please email me at threemcginns@aol.com.

I want to take a moment to thank all of the guild members and to toot LAP's "horn!" The guild had an extremely high level of contribution in 2009. We met all of our charity commitments which is a huge part of the core foundation of the guild. For having the number of members that we do, we sure did get a lot done!

I also want to thank Shirley Waldrop for making the coffee for the Holiday Potluck and Ruth Kressler for the festive holiday decorations for the party. Van Rothenberger gets many thanks for taking on the duty of setting up the microphone system at each guild meeting. I've had good remarks from members that the system is working.

I've already started making my New Year's resolutions. I have about three auction quilts to make, along with finishing a few for the show. Here's to a fun 2010, filled with lots of sewing!

From the Executive Board

For those that did not attend the December Board meeting, the following are the results of the votes taken by mail ballot:

Passed: The guild will allow a volunteer judge to judge those quilts for which LAP members have given their

permission. It is understood that the judge would need at least 35 quilts to take part in order for voting to take place. *(It was also decided that the results will only be shared with the individual quilter, and no one else, including the board. A list of quilts will be provided at a future guild meeting so that quilters can indicate whether they want their quilts judged or not).*

Passed: The guild will allow death and illness information to be published in the LAP Newsletter, if the Sunshine Chair has received the member's permission. *(It was also discussed that if a newsletter isn't going to be published around the time of the notice, a group email notice may be sent to the membership instead).*

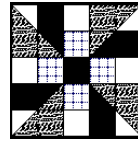

The Executive Board met on December 21, 2009, resulting in the following:

1. The board will not pursue expanding the LAP membership at the current time.
2. Concern was expressed over LAP members not being able to receive a hard copy of the newsletter, if they choose. LAP Vice President Jean Kaufmann agreed to print and mail hard copies to those members requesting it. Members that are having difficulty with the email version of the newsletter should contact Jean.

Sunshine Committee

Please contact me if you hear of any LAP member having surgery or being seriously ill so that I can represent all members by sending them a card and FQ. I also send sympathy cards for a death in a members' family. We need to all work together to make sure that I am

notified of these events. I am always available by phone or email. Ruby Post postrp@comcast.net 517-323-3201

We could meet at 10:30am, travel to Grand Ledge, have lunch at Cugino's first, then go on down to Ledge Craft. If interested contact Denise.

Guest Speaker

We are very fortunate to have Ami Simms as a lecturer and instructor for our February meeting and workshop. She is very well known in the quilting world and we are excited to have her. Ami will present a trunk show, give us hints and tricks of the trade, tell us about the Ugliest Quilt contest, plus much more.

Ami will be teaching “Twisted Sisters” is the quilt she will be teaching on Saturday February 6 at our workshop. This will be 9am - 4pm at the Foster Center. Please sign up at the January meeting as we only have room for 15. Cost for this workshop will be \$35.00.

Donation Opportunity

LAP President Denise McGinn has been approached by one of the volunteer firefighters at the Hartland Fire Department (near Howell). They need donations of children size quilts and adult size quilts that can be used to keep people warm if the volunteers are first to arrive at the scene of an accident/fire. They are trying to get at least four of both sizes. This is not an official LAP charity project, but if you would like to help out, please get your donation to Denise McGinn. This is a small fire department that does not have the budget to obtain quilts any other way. Mike Eckert, who made the request, is a great guy that donates his time to the fire department as well as to many other charitable causes.

Committee Reports

Now that the new year has arrived, the Promotion/Publicity Committee will begin promoting the show heavily. The committee is asking for some help from all guild members to promote our show to potential vendors. Below is a list of companies that have already signed up for the show. If you know of a store, business owner, or cool gadget that you think should be at our show, please encourage them to sign up for a booth or give their contact information to Denise McGinn, threemcginns@aol.com, or Maxine Litzinger, mlitz211@sbcglobal.net. We will be happy to contact them. Don't just think fabric shops, think embellishments, patterns, long arm templates, hanging systems, or any other non-quilting item that quilters might be interested in. Feel free to offer a vendor contract to any business. A copy is on the LAP website at www.lansingareapatchers.com
