

I need your help, please answer the following questions and return to Shirley.

We have a lot of untapped talent in this Guild. I think we need to get to know each other's special interests a little bit better. Aren't we here in part to make friends with people of the same interest and to learn from each other? Here's our chance.

What do you want to get out of the Guild meetings?

Do you know someone that would be a good speaker? Please give me their name and a way to get in touch with him or her. The can be one of our members or someone from outside.

Are you interested in having any of our previous speakers back? Tell me who (or perhaps what their topic was) and a way to get in touch with them if you happen to know.

Are you interested in a retreat on a small scale, something around here? If so, please describe.

Do you have a Mystery or Challenge in mind you want to share?

Next year we don't have a Quilt Show so we can concentrate on quilts for the following year and maybe think of doing something out of our comfort zone. (Remember...Guild members can be compensated for lectures at general meetings and for doing workshops.) Do you have a lecture or workshop you'd like to provide? Please describe your proposal.

I know that we always get something of value out of each meeting, but is there any one thing that you value more than another?
