

Lansing Area Patchers

2010 Quilt Show
"For the Love of Quilting"

May, 2009

Dear Vendor:

I would like to announce the Lansing Area Patcher's 2010 Quilt Show. We are preparing to display over 300 quilts and anticipating an attendance of approximately 2000 people. The show will be publicized in several national publications as well as Michigan publications. We also will have two traveling national quilt displays. We would love to include you as a vendor in our show.

The show will be on May 22 and 23, 2010. Please note that there will be a new location for the show; the show will take place at the Lansing Summit, located in south Lansing, Michigan, off of Lansing Road. The address is 9410 Davis Highway, Lansing, Michigan. Their phone number is (517)319-1000. It is a great location with good lighting and air conditioning. It is the same location as Capitol City Quilt Guild used for their 2009 quilt show.

The vendor booth spaces are 10' by 10'. We will provide you an 8' table and 2 chairs per booth space. We will have extra tables available for rent at \$10 each and extra chairs available at \$5 each. Please reserve your extra chairs and tables on the enclosed form. Also, please note if you will need an electrical outlet.

We will also have a demonstration area this year located at the entrance of the show in a highly visible area. The demonstrations will be actively publicized. If you are interested in demonstrating a technique and selling kits, etc. at the demonstration areas please place that information on the enclosed form.

We had to turn vendors away at the past quilt show, so if you are interested in being a vendor, please turn your information and check for \$100 per booth to reserve a spot. If you are unable to attend the show, we will give refunds providing that we are able to place another vendor in your spot.

After you have registered as a vendor, we will send you a packet of information including a map to the Summit, hotels in the surrounding area, the location of your assigned booth the demonstration schedule, and other information as it becomes available.

We are looking forward to including you in our "Love for Quilting" Quilt Show. If you have questions, please feel free to e-mail Coreen at thatsmyquilt@voyager.net.

Thank you,
Coreen Strzalka
